Sue Hern is a Patent Attorney with Amica Law LLC. Her work focuses on helping clients acquire patent protection for their inventions.

Sue Hern obtained a Bachelor's degree (Hons) in Biological Natural Sciences and a Master of Natural Sciences (Biochemistry) from the University of Cambridge, United Kingdom. Sue Hern previously worked in a leading research institute as an intellectual property manager, where she collaborated closely with inventors and the commercial team to develop patent portfolio and filing strategies. Sue Hern also has prior work experience in the patents group of a major intellectual property firm in Singapore, where she was involved in the filing and prosecution of patent applications in a broad range of technical fields including biotechnology, chemistry and pharmaceuticals. She has been awarded ASPA Book Prizes for attaining the highest score in Paper B (Amendment of a Patent Specification) and Paper D (Knowledge of Patent Law and Patent Practice in Singapore) in the Singapore Patent Agents Qualifying Examinations.

Experience

Her work encompasses various aspects of patent practice, including:

- Conducting prior art searches and advising on the patentability of inventions
- Drafting patent specifications
- Filing and prosecution of patent applications locally and in other major jurisdictions
- Preparing submissions to Office Actions and amendments to patent specifications
- Assisting with providing infringement and validity opinions

Memberships

Sue Hern is a member of the Association of Singapore Patent Attorneys (ASPA).
