Experience

Sample matters which Dillon has been involved in include:

- General advisory work on intellectual property and regulatory issues
- Drafting and reviewing of intellectual property agreements, including franchise, licensing, and assignment agreements
- Drafting and reviewing of commercial contracts, such as supply, manufacturing, distribution and general service agreements
- Drafting and reviewing of website and company terms of use and privacy policies
- Advising on data protection compliance matters, including drafting privacy policies and internal data protection policies and documents, assessing and preparing clients for Data Protection Trust Mark Certification, and the management of data breach incidents
- Advising on Monetary Authority of Singapore (MAS) regulatory and compliance requirements in relation to the Payment Services Act
- Contentious intellectual property matters such as trade mark infringement, opposition, revocation and invalidation actions

Key Practice Areas

- Brands & IP Portfolio Management
- Franchising
- Payment Services
- Data Protection & Cybersecurity
- Trade Marks, Patent, Design & Copyright Protection

Dillon is a Senior Legal Associate with Amica Law LLC. His practice focuses on contractual and commercial transactions, such as franchise, licensing and assignment agreements. He also advises on compliance and regulatory issues, particularly in the area of data protection/data privacy.

Additionally, Dillon has experience working with clients to manage their global trade mark portfolios and the protection of their intellectual property rights. His trade mark practice includes overseeing the filing, registration and prosecution of trade marks, handling contentious trade mark actions such as opposition, revocation and invalidation proceedings, and advising on strategies to safeguard client trade mark rights worldwide.

Dillon graduated with an LL.B degree from Singapore Management University in 2019, and was called to the Singapore bar in 2020. He holds a Certified Information Privacy Professional/Asia (CIPP/A) qualification.
